Aqua Vista Hotels welcomes 7 new members

Aqua Vista Hotels welcomes 7 new members to its growing portfolio on the island of Santorini. As a hotel management group committed to providing unique guest experiences with units of distinct character in select locations, the recent additions have been carefully selected for their special attributes.

Carpe Diem Suites & Spa

The hotel opened in 2008 and is an adults-only luxury boutique hotel with 10 suites, each with a private pool and a stunning 270 degree panoramic view of the entire northern part of Santorini. Located in Pyrgos, Santorini's highest village, Carpe Diem aims to satisfy lovers of space, privacy and luxury.

Aperanto Suites

Aperanto is the Greek word for infinite and this is exactly what characterizes the lodge; the infinite views of the Aegean Sea and the unique village of Oia. Consisting of 12 suites equipped with the latest state of the art technology, this masterpiece of Cycladic architecture is due to open its doors to the public in June 2017.

Ayoba Suites

Nestled in the heart of Imerovigli Village, Ayoba emanates a rustic feel and is uniquely decorated with colourful details and stylish wooden furniture.

"Its strategic location will evoke your senses as you peacefully surrender to the timeless spell of Santorini," said Ms. Sofia Matzourani, Business Development Manager of Aqua Vista Hotels, in reference to the new addition.

Villa Dakoronia

The sunlit villa is located between the cable car (90 m) and the Nomikos Convention Center (80 m), providing peace and quiet with the comparative advantage of being a breath away from the center of Fira and all the nightclubs and restaurants. The 90 sq.m villa was originally a family summer house and hosts up to 6 persons. It consists of two bedrooms with queen size beds and two bathrooms with showers.

AQUA VISTA HOTELS

Agnadi Villa

The villa offers comfortable, immaculate rooms in a peaceful location, boasting great views over the Aegean Sea and the romantic sunset. With only 27 rooms, it's got a really cosy feel and as for the rooms themselves, think traditional Greek - all whitewashed walls with touches of blue as vivid as Santorini's church domes. They are simple but comfy and every studio comes with a balcony or terrace, so guests can sit outside and enjoy the sunset.

Amerisa Suites

Far from being an impersonal hotel, the establishment is more akin to a beautiful private home. This inherent harmony with Santorini's natural beauty means that the Amerisa is more than just a place to sleep; rather it is an invitation to dream. The enchanting natural beauty and the prominent Aegean architecture, coupled with the exquisite hospitality and luxurious accommodation, guarantee relaxing and bewitching vacations. In this calming setting guests can enjoy the breathtaking view and the sunrise from the panoramic veranda (perfect for breakfast) whilst sipping a cool glass of white wine by the heated swimming pool.

Spiliotica on the Cliff

The property's accommodations and facilities have been subject to an extensive and fundamental renovation, bearing in mind the needs of the modern traveler. Focusing on the relaxation and the comfort of the guests, Spiliotica on the Cliff now features a contemporary, minimalistic interior and design with modern amenities that will maximize the 'in room' experience.
