Aqua Vista Hotels at 1st School of Tourism in Nafplion

Aqua Vista Hotels is proud to have participated in the first School of Tourism which took place on 18 and 19 of May in Nafplion, Greece. The two-day training seminar was organised by the Municipality of Nafplion in an effort to highlight the region of Argolida as a tourist destination.

The two-day seminar was intended to train and inform tourism professionals, employers and all those working in the industry about issues regarding new developments and changes in tourism and the catering sector. A range of speakers gave their input to the seminars, covering many aspects of specialization.

Mr George Tsolakakis, sales director of the Aqua Vista Group, along with marketing, communications and business development managers, Mrs Caterina Mavroudi and Mrs Sophie Matzourani, attended the show as representatives of the affiliation. Mr. Tsolokakis was invited to give a talk on the theme 'The Art of Luxury Hospitality', in which he shared with attendees an insight into this particular area of guest experience. With its in-depth knowledge of the luxury hotel market in Greece, Aqua Vista Hotels has a great deal of expertise to impart at such events, which it is always keen to participate in.

We would like to congratulate the organizers for this initiative and hope that the show will be repeated in the future with the same success!
