Press Release

Aqua Vista Hotels receives a Double Distinction in the TripAdvisor Travelers' Choice Awards 2017

Aqua Vista Hotels is honoured to announce that two of its luxury boutique hotels have been awarded the prestigious **Travelers' Choice Awards 2017** in the category of **Top 25 B&Bs and Inns in Greece** by the readers of TripAdvisor, the largest online travel site.

The two hotels which earned the distinction are located in the popular destination of Santorini. **Above Blue Suites** and **Athermi Suites** were singled out by TripAdvisor users for being amongst the best hotels in Greece in their specific category.

When voting for such an accolade, there are certain characteristics which TripAdvisor readers consider, such as the style and design of the hotel, its decor and ambience, as well as its unique amenities and the personalised services that it offers guests. The location is extremely important too and it is no coincidence that Santorini is featured, considering its spectacular landscape.

The TripAdvisor Travelers' Choice Awards 2017 are a great commendation, signifying a recognition for all the hard work that goes into creating and managing a large portfolio of distinct hotels. It is also important to note that it is the guests themselves who voted for the Above Blue Suites and Athermi Suites as their favourites.

That fact alone encourages us to continue to provide such superior hospitality while raising the bar even higher in the future.
