Press Release

Aqua Vista Hotels welcomes Aplai Dome in Oia to its Santorini selection

Aqua Vista Hotels has added another desirable property to its extensive portfolio in Oia, Santorini. The new collaboration with Aplai Dome, which opens this September, further seals the group's commitment to conveying its know-how to new hotel units, while offering guests a unique hospitality experience.

Perfect for those who seek a modern property of the highest environmental standards, the eco-friendly Aplai Dome has been built with the use of local materials quarried from the region to create a venue which blends in beautifully with its surroundings. Full sound and heat insulation encourage energy sufficiency and the organic garden is a source for many ingredients used in the hotel's restaurant and special cocktails.

Fourteen apartments of varying proportions, each with a terrace, will provide guests with a glorious sea view while an outdoor infinity pool and pool bar are also idyllic sunset spots. Each apartment has been designed as a comfortable living space with modern furnishings and fixtures while additional facilities include a gym and spa. Add to that a private chapel within the grounds and you have an idyllic location for weddings.

Commenting on the new venture between Aqua Vista Hotels and Aplai Dome, Mrs Sofia Matzourani, Business Development Manager, stated; ***“We are excited to be able to celebrate the opening of a new unit in Santorini in such a sought after location. Seeing our new addition to the Aqua Vista Hotels family take its first steps is very rewarding. Being instrumental in seeing that unit grow successfully will give us even greater satisfaction.”***
