## Press Release

### Three outstanding properties set the tone for a successful 2019 for Aqua Vista Hotels

Aqua Vista Hotels has added three impressive new properties on the island of Santorini. With the 2019 summer season about to begin, these collaborations extend and complement the comprehensive portfolio that the Group has developed to date.

With over 35 exclusive boutique hotels and luxury villas already managed by Aqua Vista Hotels in sought-after locations, the latest additions strengthen the exceptional experiences offered to guests. Situated in desirable destinations, the new properties include **White Cave Oia**: a brand new villa with impeccable decor, **Edem Santorini**: a charming hotel in the picturesque village of Finikia near Oia, and **The Beach House**: a comfortable house right in front of the beach of Monolithos.

Each new property has something different to offer. Two of the new collaborations, White Cave Oia and Edem Santorini, have recently been transformed by Aqua Vista Hotels into accommodation of a very high calibre. Focusing on distinctive interior design, the Group has achieved a welcoming and luxurious style that matches the company's brand identity. Embracing the typical architecture of the island, the luxurious **White Cave Oia** enjoys a romantic loft with a built-in double bed. The indoor hot tub and hammam ensure that relaxation never ends and to complete their memorable stay, guests can take advantage of the outdoor plunge pool with unforgettable caldera views.

**Edem Santorini** mixes island tradition with contemporary art to successfully capture the mystical aura of the island. The hotel's stunning, spacious suites promise a relaxing and invigorating stay with king-size double beds, hot tubs and deluxe furnishings. The uninterrupted sea views, large bathroom and 2 separate bedrooms make **The Beach House** the ideal place for families or couples to unwind on holiday. The stylish interior and high-quality exterior combine to create the perfect home from home. As well as its location on the black sands of Monolithos, the family-friendly beach Kamari is also nearby.
