ABOVE BLUE SUITES

Above the endless Aegean blue, under the most majestic sunset and with a view of one of the planet's most energized volcano!

Santorini, besides being the only habitable Caldera in the world, is a magical, energized, and whimsical place.

At Imerovigli, in the highest point of the stiff cliffs, facing the volcano, are perched the ten suites of Above Blue... Representing a new concept of sanctuary these suites of different sizes and formations have three things in common... style, sophistication and an addiction to luxury. Each suite offers to the distinctive guest breathtaking views to the Caldera, Thirassia Island, the famous volcano and the traditional village of Oia.

These elegant suites offer a unique set of services that includes private Jacuzzi, A/C, Flat Satellite TV, Home Theater system, personal laptop, Mini Fridge, Bathrobes and Slippers and the famous Korres bathroom Amenities. A starlit common swimming pool, a pool bar, the Free Wi-Fi internet access, and the available massage treatments and therapies conclude the reflecting luxury of the hotel. Spoil yourself from the beginning; enjoy your American Champagne Breakfast served in the privacy of your suite and end your day with a private candle light dinner while the evening gracefully steps aside to the night, offering you the most romantic and definitely most photographed sunset on earth.

Above Blue Suites... Definitely Above your expectations!
