## The Hotel

Tucked away in the heart of Kamari in Santorini and just a few passes away of the famous black sand beach, the Acqua Vatos has been fully refurbished and transformed into a hip boutique hotel in the spring of 2011. It is trendy, elegant and from time to time eccentric, with minimalistic design and exhibitionist bathrooms. Acqua Vatos is ideal for families with kids, since there are rooms designed and equipped especially for them. The XXL pool is a star attraction for adults and children of any age.

## Location

Acqua Vatos Hotel is located 50 meters away from the most famous beach of the island, Kamari. Dozens of Restaurants, small Taverns or Cafes can be found along this black coast. All kinds of Sea Sports are available here. Our Hotel stands right in the heart of Kamari Village. Outside the Hotel's entrance you can find the Bus stop, all kinds of Restaurants and Bars, Pharmacy and also a large public parking (FOC).
