

AQUARIA VILLA

Holiday Villa Santorini

The Villa

If you are looking for a shelter of calm, luxury and comfort in Santorini, Aquaria Villa is the perfect accommodation for you. It can host large families and parties of friends or wedding receptions in an inspiring setting filled with light and designed especially to combine modernity and Cycladic tradition. The Villa has 6 bedrooms with en suite bathrooms, large fresh water private pool, dining areas, fully equipped kitchen, playground and many more facilities and features that guarantee an luxurious yet comfortable stay in amazing Santorini.

The Location

Maintaining its Cycladic charms, Santorini is a world of its own. Having shaped the island after multiple eruptions, the aura from the volcano overwhelms you from the moment you arrive. Steep, imposing cliffs overlooking the Aegean, picturesque settlements with historic significance and unparalleled beauty, a coastline that resembles pictures from the moon and the other planets!

Fira Town, the capital of Santorini, is only a few minutes away. It can be found on the west coast of the island, on the caldera cliffs opposite the volcano. Modern day Fira is the cultural and commercial center of the Santorini. Although geared around the tourist industry, perhaps more so than other areas on the island, there is much about Fira worth taking a look at.
