The Hotel

Experience the grace and beauty of Ayoba Santorini, authentic accommodation in the heart of exquisite Imerovigli village, one of the most romantic and picturesque spots on Earth. The lodge emanates a rustic feel and is uniquely decorated with colourful details and wooden furniture.

Ayoba is a feel good word that takes us to a happy place. It’s a made-up one that originates from the townships of South Africa where it’s used to express appreciation of good dancing! Its philosophy is based on pure ‘*philoxenia*’, the Greek term for hospitality that will make your stay utterly authentic, without commercial intrusions.
