

Opera Mansion Santorini

The old emblematic Opera of Santorini dating back to the 19th century has been totally renovated, transformed into the absolute epitome of luxury and privacy in the heart of the island. In perfect alignment with the traditional Thera architecture, the Opera Mansion is a cave-like building boasting ample spaces and splendidly lavish features. In the very same place where the first modern Hellenic Theatre performance was held, couples relax and enjoy utter privacy and discretion just a breath from the imposing caldera and the central Fira path.

Opera Mansion provides the idyllic setting for couples seeking to isolate themselves from the world, without lacking anything in terms of smooth accessibility to the vibrant nightlife and omnipresent lifestyle of Fira.
