

The Hotel

White Harmony Luxury Suites is the ultimate destination of relaxation in Santorini! In a traditional settlement of the island, Megalochori, 4 brand new suites offer luxury and comfortable accommodation in nature. They have been created with utmost respect to the environment, following the traditional Thera architecture with modern touches of supreme aesthetics.

Bright colors are prevalent in decor, reflecting natural light bathing their interior. Two of them come with exterior Jacuzzi, while the rest have access to a private swimming pool.

The Location

White Harmony Luxury Suites is located in Megalochori, one of the most beautiful settlements in Santorini. Just 6.5 kilometers from the island's capital, Fira, Megalochori is the ideal holiday destination. Situated on the southwestern part of Santorini, it is especially famous for its vineyards and wine making.

It is one of the most picturesque, traditional villages with cave-like constructions that follow the typical Cycladic architecture along with neoclassical buildings. And the main square at Megalochori is the true heart of the settlement. A place filled with life, where you get the chance to mingle with the hospitable locals and admire the beauty of the landscape, complemented with whitewashed chapels and lovely paved alleys.

Suites At a Glance

Jacuzzi Suites

Brand new Jacuzzi Suites are located on the first floor and may accommodate up to 5 individuals. Each suite has been designed with absolute respect to the traditional Thera architecture, in line with the cave-like constructions throughout the island. The bright colors and the abundant natural sunlight, the fusion of classic with modern style and the exceptional sense of comfort and luxury define a unique place to relax and invigorate.
